Nutrition Education (SNAP-Ed) Estimated Allocations

TO: All SNAP State Agencies
All Regions

This memo shares the estimated Fiscal Year (FY) 2024 allocations to assist State agencies in preparing their Supplemental Nutrition Assistance Program Nutrition Education (SNAP-Ed) plans by the regulatory deadline of August 15, 2023. These FY 2024 allocations are for planning purposes only since actual amounts will differ as additional data is collected. Based on current estimates, FNS projects the FY 2024 national SNAP-Ed allocation at \$516,000,000. The estimated allocation for each SNAP State agency is enclosed.

The Food and Nutrition Service will release the final SNAP-Ed allocations in late summer 2023 to reflect any changes in SNAP participation and the June 2023 Consumer Price Index for all Urban Consumers (CPI-U), per the statutory funding formula defined in Section 28(d)(1)(F) of the Food and Nutrition Act of 2008. SNAP-Ed allocations are subject to the availability of Federal funds.

SNAP-Ed funding allocations for FY 2024 and previous years are available on the SNAP-Ed Connection at: <https://snaped.fns.usda.gov/> under the Program Administration tab.

Thank you for your ongoing support to strengthen food and nutrition security through SNAP-Ed. State agencies with questions should contact their respective Regional Office representatives.

Sincerely,
