All Regions

This memo shares the estimated Fiscal Year (FY) 2025 allocations to assist State agencies in preparing their Supplemental Nutrition Assistance Program Nutrition Education (SNAP-Ed) plans by the regulatory deadline of August 15, 2024. These FY 2025 allocations are for planning purposes only since actual amounts will differ as additional data is collected. Based on current estimates, the Food and Nutrition Service (FNS) projects the FY 2025 national SNAP-Ed allocation at \$538,000,000. The estimated allocation for each SNAP State agency is enclosed.

FNS will release the final SNAP-Ed allocations in late summer 2024 to reflect any changes in SNAP participation and the June 2024 Consumer Price Index for all Urban Consumers (CPI-U), per the statutory funding formula defined in Section 28(d)(1)(F) of the Food and Nutrition Act of 2008. SNAP-Ed allocations are subject to the availability of Federal funds.

The SNAP-Ed funding allocations for previous years are available on the SNAP-Ed Connection at: <https://snaped.fns.usda.gov/administration/funding-allocations>. State agencies with questions should contact their respective FNS Regional Office representatives.

Sincerely,

Rachel Frisk
