SUBJECT: Fiscal Year (FY) 2024 Supplemental Nutrition Assistance Program
Nutrition Education (SNAP-Ed) Final Allocations

TO: All SNAP State Agencies
All Regions

The Food and Nutrition Service (FNS) is pleased to announce the release of the FY 2024 final SNAP-Ed allocations totaling \$521,000,000. The SNAP-Ed allocation is 100 percent Federally funded and is calculated annually based on a ratio of a State's share of historical national SNAP-Ed expenditure in FY 2009, and a State's current SNAP participation as compared to national SNAP participation. These allocations are subject to the availability of Federal funds.

Attached are the FY 2024 allocations for each State. Funding for FY 2024 and prior year allocations are available on the SNAP-Ed Connection page at <https://snaped.fns.usda.gov/administration/funding-allocations>.

Information provided in this memo supersedes all previous communication. Thank you for your continued support of the SNAP-Ed program. State agencies with questions should contact their respective Regional Office representatives.

Sincerely,
