

SNAP-Ed Clearinghouse: Toolkit Moves to SNAP-Ed Connection

The Food and Nutrition Service has moved the SNAP-Ed Toolkit website and related resources to the **SNAP-Ed Connection**, creating an online information clearinghouse. This change makes all SNAP-Ed resources available in one location, as directed by the Agriculture Improvement Act of 2018.

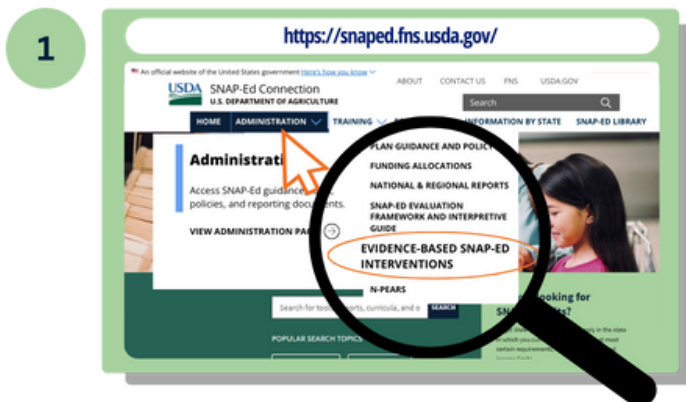

The SNAP-Ed Connection website provides resources such as curricula, participant materials, administrative documents, and general program information. SNAP-Ed Toolkit resources now housed on SNAP-Ed Connection include the following:

- Evidence-Based SNAP-Ed Interventions (formerly known as “Toolkit Interventions”)
- SNAP-Ed Evaluation Framework & Interpretive Guide
- SNAP-Ed Literature Review Database

Evidence-based SNAP-Ed Interventions (formerly known as Toolkit Interventions) are now under the “Administration” tab (image 1).
