SNAP-Ed Success Stories

Success stories from around the country are published on the website. All states are welcome to submit as many stories as they would like. States are encouraged to use the success stories tip sheet to write their stories. The tip sheet can be found at https://snaped.fns.usda.gov/success-stories. All stories should include evaluation and outcomes information. Stories are copyedited prior to publication.

SNAP-Ed Library

The SNAP-Ed Library contains materials created with SNAP-Ed funding and resources that may be helpful to SNAP-Ed programs. Some of the materials include:

- Curricula
- Evaluation tools
- State impact reports

It is a collaborative tool to allow States to share information so that there is no duplication of efforts across the program. FNS encourages State and local projects to submit materials that they have developed at https://snaped.fns.usda.gov/node/add/library_material. All materials are reviewed according to the SNAP-Ed Library Inclusion Criteria https://snaped.fns.usda.gov/snap-ed-library/inclusion-criteria.
